

# NOTICE TO GOLFERS

**Golf is an enjoyable recreational activity but comes with inherent risks that may result in personal injury.**

**Potential risks associated with golf include, but are not limited to:**

- **Being struck by a golf ball hit by another player.**
- **Being hit by a golf club swung by another player.**
- **Collisions with golf carts or other course vehicles.**
- **Injuries caused by debris from course maintenance equipment, such as mowers.**
- **Slips, trips, or falls while walking on the course.**
- **Only hit once it is clear to do so, call "FORE" loud and without delay if the ball is at risk of hitting someone, make sure the area around you is clear before taking any swing, and make sure you are not in the way of any golfer about to play.**
- **Always give right of way to the course maintenance staff.**

**By participating, you acknowledge and accept that you play golf on this course at your own risk.**

**Strathfield Golf Club Board of Directors**
